1. Law Enforcement Technology Attestation

Grantee Agency

Town of Newburgh Police Department

Award Amount

$439,239.00

Signatory Email

bcampbell@townofnewburghpd.org

Upon submission of this attestation, these funds will be provided in the form of a block grant, to the above-named law enforcement agency, for the purposes outlined in the previously submitted application for law enforcement technology and equipment.

By signing and submitting this attestation, you as the grantee are agreeing to adhere to the intended purposes of the LETECH Application for Funding.

Award Requirements

1. Submit annual expenditure-based reporting in a manner determined by DCJS that demonstrates that the funding provided to the grantee was used for its intended purpose, to support the law enforcement technology and equipment needs illustrated in the previously approved items list on application for funding and/or your agency's grant award letter.

i. Please note that this report must be filed annually until all the award dollars are expended for the intended purposes.

2. That the above-named agency affirms that DCJS has the right to audit all documentation related to the purchase of this law enforcement technology and equipment funded through the above-mentioned grant.

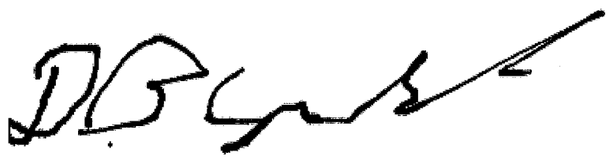

3. As a condition of this funding award, any relevant data or information generated by technology or equipment procured with these funds must be shared with the New York State DCJS Crime Analysis Center Network to enable them to support investigations more fully. This data includes but is not limited to license plate reader data, gunshot detection system data, surveillance camera feeds (where appropriate), records management system (RMS) data, computer aided dispatch (CAD) system data, body-worn cameras (where appropriate), and any relevant software systems (as appropriate). You are requested to engage with your local crime analysis center to develop a plan for the provision or integration of this data.

4. In addition to any county or municipal procurement restrictions, awardees must adhere to all current state and federal guidance, as it relates to any of the specific equipment supported through this award. These restrictions include, but are not limited to, entities that appear on the OGS debarment list or the state's Prohibited Entities List or which have been identified in the National Defense Authorization Act (NDAA) Section 889 - Prohibition on Contracting with Entities Using Certain Telecommunications and Video Surveillance Services or Equipment.

5. This attestation must be signed and received prior to DCJS releasing the funds to the above-named agency.

I acknowledge that I have read, understand, and agree to comply with all of the above award requirements.
