Mr. Tirado,

Attached is the information you requested per your foil request dated 08/11/2026 (2206-00897). The Town of Newburgh Police Department has a 30-day data retention policy for ALPR Flock data. Beyond the 30 days, the data gets automatically overridden, deleted from the system. As far as records identifying all law enforcement agencies or governmental entities requesting access to Town of Newburgh Police Flock data, due to this information being part of the investigative process, which could reveal our investigative methods, or interfere with a judicial proceeding, the release of this data is denied under Public Officers Law Sec. 87(2)(e)(i). As per our department policy governing the use of ALPRs (attached), section 424.7 lists the manner in which how another law enforcement agency would need to request access to Town of Newburgh Police Department flock data.

Respectfully,

Lieutenant Adam Zeilberger
